### **Yom Kippur - 35 years ago.....**

..... a major event in the history of our Synagogue and our community took place.

Israel was attacked on Yom Kippur and the **Marble Arch Synagogue** suddenly became the focal point for the largest ever blood gathering event in the history of England Jews.

The Community Development Committee wants to record the events, facts and YOUR memories of those days and compile them into a book for our library.

Were you one of the

- 10,000 people that gave blood
- Doctors
- Nurses
- Clerks
- Caterers
- Taxi drivers
- Security

Other people not mentioned

That took part.....If so Please let us have any

pictures (even if they're gathering dust in the loft)  
newspaper articles,  
letters

**AND ESPECIALLY** your thoughts and recollections.

We would like you to write down any stories or recollections and send them to **Steven Truman** who is co-ordinating this project.
