**Yom Kippur - 35 years ago this year
The Marble Arch Blood Bank sprang into operation**

On Yom Kippur 1973 Israel was taken by surprise and attacked by her neighbours. The **Marble Arch Synagogue** suddenly became the focal point for the largest ever blood donor event in the history of England Jews.

The Community Development Committee wants to record the events, facts and YOUR memories of those days and compile them into a book for our library.

Were you one of the

- 10,000 people that gave blood
- Doctors
- Nurses
- Clerks
- Caterers
- Taxi drivers
- Security

Other people not mentioned

That took part.....If so Please let us have any

- pictures (even if they're gathering dust in the loft)
- newspaper articles,
- Letters
- **AND ESPECIALLY** your thoughts and recollections.

We would like you to write down any stories or recollections and send them to **Steven Truman** who is co-ordinating this project.

Sponsor a Member – Do a real Mitzvah!

We all know that over 100 members in our community require financial assistance in one form or the other because for whatever reason they have fallen on hard times and struggle to pay their membership / burial contributions. Let me give you a real example

Mr A—He is a senior citizen and attends Shul on a regular basis and joins in at all functions. He is well liked by all members. He is a widower and lives alone; he has no children, so the Synagogue is really his extended family. He's only income is a state pension. He thus struggles to pay his membership contribution and burial rights; the latter aspects does worry him a lot. We offered a free membership.

Making a donation to this fund will be a real Mitzvah and will have a major impact on the lives of our less fortunate members. Please donate whatever you can afford. Whatever amount you will donate - may we thank you in advance for your generosity

Yadgaroff Library

The Yadgaroff Library is open every day for those wishing to study or browse the fine selection of books.
